

2025 COMMUNITY BENEFIT REPORT

\$36,819,440

TRADITIONAL CHARITY CARE

Every patient deserves essential healthcare. UC Health serves patients in difficult financial circumstances and offers assistance to those who have a medical necessity and meet our eligibility criteria.

\$155,227,915

SUBSIDIZED HEALTH SERVICES

UC Health provides clinical services to the community despite a financial loss. Examples include emergency services, renal dialysis, behavioral health, dental services and trauma services.

\$139,885,605

HEALTH PROFESSIONS EDUCATION

UC Health supports educational programming for our employees and providers, in addition to ongoing financial support to the UC College of Medicine. The organization serves our community at large through clinical and resident education programs.

\$728,458

COMMUNITY HEALTH IMPROVEMENTS

UC Health invests in the health of its community through health fairs, clinics, seminars, and health promotion and wellness programs.

\$1,479,397

FINANCIAL & IN-KIND CONTRIBUTIONS

Community members benefit from UC Health's donations of equipment/medical supplies, in-kind donations of services, and meeting room/space for events and event sponsorships.

\$334,140,815

TOTAL COMMUNITY BENEFITS

Engaging with others to drive positive change in our community is integral to UC Health's mission.
