

**\$9,696,374**
**TRADITIONAL CHARITY CARE**

Every patient deserves essential health care. UC Health serves patients in difficult financial circumstances and offers assistance to those who have a medical necessity and meet our eligibility criteria.

**\$47,830,953**
**SUBSIDIZED HEALTH SERVICES**

UC Health provides clinical services to the community despite a financial loss. Examples include obstetrics services, renal dialysis, behavioral health, dental services and transplant services.

**\$49,077,682**
**HEALTH PROFESSIONS EDUCATION & RESEARCH**

UC Health supports educational programming for our employees and providers and serves our community at large through clinical and health-related research.

**\$17,820,473**
**UNPAID COST OF MEDICAID**

UC Health underwrites the cost of patient care that is not covered by Medicaid reimbursements and other payments.

**\$6,239,762**
**COMMUNITY HEALTH IMPROVEMENT**

UC Health invests in the health of its community through health fairs, clinics, seminars and health promotion and wellness programs.

**\$2,245,653**
**FINANCIAL & IN-KIND CONTRIBUTIONS**

Community members benefit from UC Health's donations of equipment/medical supplies, in-kind donations of services and meeting room/space for events and event sponsorships.

**\$132,910,897**
**TOTAL**

Engaging with others to drive positive change in our community is integral to UC Health's mission.
