

As the seasons change, so do your allergies.

- Do you or your adolescent child have frequent bouts of sneezing, itchy nose, runny nose, or itchy eyes?
- Do your “allergy symptoms” seem to have seasonal variation?
- Do you get treated for “sinus infection” multiple times a year?
- Do certain activities (like cutting the grass, cleaning out the garage or basement, gardening) trigger your allergy symptoms?

Call (513) 475-8400 or (800) 272-4645 to schedule an appointment for a free allergy screening at the UC Health Sinus & Allergy Center.

UC Health Sinus & Allergy Center is offering FREE allergy screenings on the following dates.
Appointments are available from 8:30 a.m. - 4:15 p.m.
