

Dear Participants & Supporters,

Please join us this year as we again have an opportunity to do something that is so critical to the ongoing success of our battle against Parkinson's disease. The funds that you help raise during these events play a pivotal role in helping those in need and in improving the quality of life of those struck by this insidious disease.

Sincerely,
Jerry and Sandy Wuest

Parkinson's Disease is a progressive movement disorder of the central nervous system affecting more than 1.5 million people in the United States. The disease is characterized by a decrease in spontaneous movement, gait difficulty, postural instability, rigidity and tremor.

Tax Deductible Contribution:
PDSNOKI is a tax-exempt, charitable organization. Your charitable contribution is tax deductible to the fullest extent of law, as it applies to events of this nature (Federal Tax #35-1976138). Contribution Amount: \$ _____

About the Parkinson's Disease Support Network

Parkinson's disease is diagnosed in more than 45,000 Americans each year. Most of us are affected by it, either directly or because of friends or family who are afflicted. The only way we will beat the disease is through the cumulative actions of thousands of individuals and organizations, each doing what it can to fund research and help improve the lifestyles of its victims.

From the 2016 Fund raising efforts, several members of the PDSNOKI board presented a check for \$40,000 to the UC/Gardner Center for Parkinson's Disease.

Your generous giving can and does make a difference in our relentless pursuit of a cure for Parkinson's and in providing exercise groups that can improve the lifestyle of its victims.
