UC Health

Dear Patient:

We provide full or partial financial assistance to persons whose family income is at or under the income guidelines listed below.

Eligibility depends upon:

- Cooperation with applying for Medicaid
- Being deemed ineligible for Medicaid
- Meeting income qualifications as outlined below
- Meeting residency requirements

To determine if you may be eligible for available financial assistance programs, you must provide a completed Financial Assistance Application, along with a copy of one of the documents from each category listed on page 2 of this letter. Upon receipt, we will process your application and notify you of our determination.

INCOME GUIDELINES

Family Size	Income Per Year
1	$25,520
2	$34,480
3	$43,440
4	$52,400
5	$61,360
6	$70,320

* For families greater than 6, add an additional $8,960 for each member.

Financial assistance is not health insurance and does not meet the criteria for health insurance as defined by the Affordable Care Act. Financial assistance approvals are valid only for balances not covered by a third party. Financial assistance does not cover balances resulting from your failure to follow through with requests for information from your insurance company or failure to cooperate with the Medicaid application process. Financial assistance may not be used for non-covered services for Medicaid recipients.

UC Health's Financial Assistance is for certain hospital charges and physician charges incurred at a UC Health hospital or UC Health physician's office. Cosmetic charges, durable medical equipment, home health care, transportation or third-party skilled nursing services are not covered.

If you have any questions, please call (513) 585-6200 or (800) 277-0781. If you believe you are not eligible for financial assistance under the above programs, Customer Service can discuss other program qualifications or payment arrangements with you at that time.

Thank you for choosing UC Health for your medical care.

Please complete and sign the Financial Assistance Application and provide a copy of 1 of the following documents from each category:
