WHO WE ARE

Total Quality Logistics is ranked by *Transport Topics* as the second largest brokerage firm in the nation. Since 1997, we have arranged truckload shipments for thousands of customers nationwide and have built our reputation on commitment, integrity and reliability. To you, this means one point of contact that understands your business inside and out.

HOW WE WORK

At TQL, you work directly with a dedicated Logistics Account Executive and their support team. Your Logistics Account Executive is responsible for managing and overseeing your entire freight movement process, from tendering of the load to delivery.

**"WE MATCH THE NEEDS
OF SHIPPERS WITH THE
CAPABILITIES AND
CAPACITY OF CARRIERS,
CREATING GREATER
EFFICIENCY IN
TRANSPORTATION."
— KEN OAKS | CEO**

TQL'S WINNING PRINCIPLES

1. Pledge Integrity
2. Exceed Expectations
3. Recognize the Value of Teamwork
4. Be Forthright About Conflict

BUSINESS NEEDS

TQL TRAX OUR CUSTOMER TOOL (MOBILE APP & WEB PORTAL)

- Load tracking and mapping status updates
 - View the most recent location of any load
- Tender a load
 - Send us your freight at the click of a button
- Request a quote
 - Submit directly to your broker from the web portal
- View load documents
 - Easily save or print load documents such as BOLs or invoices
- Pay and manage invoices
 - Streamline your payment process
 - Give others access; there's no limit to the number of log-ins for your team

CARRIER DASHBOARD (MOBILE APP & WEB PORTAL)

- Simplifies how our carriers do business with us, leading to increased capacity and more competitive rates for you
- Search available loads
- Submit manual or automated check calls
- View payment information
- Capture and send documents
- Available to customers with a fleet of their own to coordinate backhauls and reduce costs

TQL OTG (MOBILE APP)

- Designed for your TQL rep, this custom mobile app gives our team 24 hour access to the information we need to manage your freight
- Displaying detailed information about carriers in TQL's network such as performance metrics and ratings
- View detailed load information including documents, pickup numbers and status updates

EDI (ELECTRONIC DATA INTERCHANGE)

- Automatically streamlines load tendering and invoicing
- Increases speed of transactions by consolidating the process of tendering and tracking
- Decreases your chance of human data entry errors
- Adjustable to fit your system's capabilities

**Some features not available in mobile app*
